This credit union may from time to time use an automated decision making process for processing members' loan applications to make sure that our decisions are quick, fair, efficient, and correct based on what we know.

The automated lending decision system looks at your credit score alongside information such as:

- the amount applied for
- your income and expenditure
- your history of repaying debts
- the number and value of PTDs, DASs, IVAs, CCJs you have
- the number of accounts you have that are in default
- public information such as the insolvency service
- whether or not you are bankrupt
- your age

and makes a decision based on either

- Set policies e.g. the credit union does not lend to those less than 18 years of age, or the credit union does not lend to people with over a certain value of county court judgements.
- The predicted likelihood of the repayment of the loan based on the statistical analysis of whether individuals who had a similar credit profile repaid their debts in the past.

Members have the right to have the decision reviewed by a member of staff, express their point of view, and obtain an explanation of the decision and challenge it. A copy of our Policy for Lending can be obtained by contacting the Lending Chairperson.
